Re: Case 13-T-0585 - Cricket Valley Energy Center, LLC
Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law - Issued April 20, 2016.

Dear Secretary Burgess:

In conformance with Condition 46 of the above captioned Order, Cricket Valley Energy Center, LLC (CVEC) is filing with the Commission and Con Edison an in-service notice with respect to the New 345 kV Line From the Pleasant Valley Substation to the Cricket Valley Energy Center, LLC, and the Reconductoring of an Existing 345 kV Line, in the Town of Dover, Dutchess County.

Condition 46:
Within ten days after the project is in service, the Certificate Holder shall notify the Commission of that fact.

With the energization of the new 345 kV line from Con Edison's Pleasant Valley Substation to the Cricket Valley Energy Center on July 28, 2019, we consider the project now "in-service."

Please contact me at mduquette@cricketvalley.com or 617-320-5219 should you have any questions.

With Kindest Regards,

Marc J. Duquette
Director, Environmental Health and Safety
